

# 2024 7th Artificial Intelligence and Cloud Computing Conference

Venue: International Conference Center-Waseda University

## ABOUT AICCC 2024

2024 7th Artificial Intelligence and Cloud Computing Conference (AICCC 2024) will be held **during December 14-16, 2024 at the Waseda University in Tokyo, Japan.**

The accepted and registered papers can be published in the **ACM Conference Proceedings (ISBN: 979-8-4007-1792-5) and be indexed by Ei Compendex and Scopus.**

AICCC conferences from 2019 to 2023 were successfully held and all the accepted papers are archived in the ACM Digital Library, which have been indexed in EI compendex and Scopus as well.

## KEYNOTE SPEAKERS

**Prof. Wenbing Zhao**  
Cleveland State University, USA

**Prof. Kenji Suzuki**  
Tokyo Institute of Technology, Japan

**Prof. Seiichi Ozawa**  
Center for Mathematical and Data Sciences,  
Kobe University, Japan

## CALL FOR PAPERS

- |                               |                                 |
|-------------------------------|---------------------------------|
| AI Algorithms:                | Cloud Computing:                |
| Accessibility and Computers   | Cloud as a Service              |
| Adaptive Control              | Cloud Infrastructure            |
| Affective Computing           | Cloud Management                |
| Agent and Multi-Agent Systems | Cloud Security                  |
| AI and Ethical Issues...      | Cloud Computing Technologies... |
